Subject: Submittal of the Investigation Work Plan and the Historical Investigation Report for Threemile Canyon Aggregate Area

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the Investigation Work Plan and Historical Investigation Report for the Threemile Canyon Aggregate Area. The Threemile Canyon Aggregate Area primarily consists of sites located within Technical Areas 12, 15 and 36 at the Los Alamos National Laboratory. The aggregate area includes 40 sites, 10 of which have been previously investigated and/or remediated and have been approved for no further action. Four of the 40 sites have been deferred per Table IV-2 of the March 1, 2005, Compliance Order on Consent. The remaining 26 sites are proposed for investigation, as described in the attached investigation work plan.

If you have any questions, please contact John McCann at (505) 665-1091 (jmccann@lanl.gov) or Woody Woodworth at (505) 665-5820 (lwoodworth@doeal.gov).

Sincerely,

Susan G. Stiger, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director
Environmental Operations
Los Alamos Site Office
