Santa Fe, NM 87505-6303

Subject: Submittal of the Interim Measure Report for Solid Waste Management Unit 01-001(f) and Los Alamos Site Monitoring Area 2

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the Interim Measure Report for Solid Waste Management Unit 01-001(f) and Los Alamos Site Monitoring Area 2. This document is being submitted in response to the New Mexico Environment Department's (NMED's) May 5, 2009, letter requiring a report summarizing the results of sediment removal, sampling, and waste disposal activities at Los Alamos Site Monitoring Area 2 (LA-SMA-2) by May 1, 2010. This document fulfills the requirements for the Completion Report for Sediment Removal and Sampling from LA-SMA-2 included on the list of Compliance Order on Consent Stipulated Penalty Documents for Fiscal Year 2010. As required in NMED's March 8, 2010, letter approving an extension to remove contaminated soils, the enclosed report summarizes all activities conducted to date at LA-SMA-2; a supplemental report documenting completion of the removal activities will be submitted by October 1, 2010.

If you have any questions, please contact Becky Coel-Roback at (505) 665-5011 (becky_cr@lanl.gov) or Cheryl Rodriguez at (505) 665-5330 (CRodriguez2@doeal.gov).

Sincerely,

Michael J. Graham, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

David R. Gregory, Project Director
Environmental Operations
Los Alamos Site Office

MG/DG/DM/BCR:sm
