Subject: Submittal of the Drilling Work Plan for Well R-59

Dear Mr. Bearzi:

Enclosed please find two hard copies with electronic files of the Drilling Work Plan for Well R-59. Because of parking lot construction and the necessity of water level data from nearby well R-60, the Laboratory proposes to submit a map with the final well location marked by November 15, 2010.

If you have any questions, please contact Ted Ball at (505) 665-3996 (tedball@lanl.gov) or Tom Whitacre at (505) 665-5042 (twhitacre@doeal.gov).

Sincerely,

Bruce Schappell, Executive Director
Environmental Programs – Recovery Act Projects
Los Alamos National Laboratory
