Santa Fe, NM 87505-6303

Subject: Submittal of the Well Reconfiguration of CdV-R-37-2 Field Summary Report

Dear Mr. Kieling:

Enclosed please find two hard copies with electronic files of the Well Reconfiguration of CdV-R-37-2 Field Summary Report. As discussed with Mr. David Cobrain of your staff on September 26, 2013, this report is being submitted without Appendix A, which contains tables of analytical data from sampling performed during reconfiguration. Appendix A cannot be submitted at this time because of delays in receiving the data from the analytical laboratory. Los Alamos National Laboratory anticipates receipt of the data the first week in October and will submit Appendix A as soon as possible thereafter. Because the well reconfiguration report does not contain any data interpretation, submitting Appendix A separately will not result in any changes to the report.

If you have any questions, please contact John McCann at (505) 665-1091 (jmccann@lanl.gov) or Woody Woodworth at (505) 665-5820 (lance.woodworth@nnsa.doe.gov).

Sincerely,

Jeff Mousseau, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

Peter Maggiore, Assistant Manager
Environmental Projects Office
Los Alamos Field Office
