Dear Messrs. Smith and Brandt:

The New Mexico Environment Department (Department) has received a *Class 1 Permit Modification Request* requesting approval of the addition of a structure to the permitted unit at Technical Area (TA) 55 Outdoor Storage Pad to the Hazardous Waste Facility Permit (Permit) for Los Alamos National Laboratory (LANL), dated September 4, 2012, from the United States Department of Energy and Los Alamos National Security, LLC, collectively the *Permittees*. The Department has reviewed the PMR and hereby approves the request and deems it administratively complete.

The Department also received the following Class 1 Permit Modification notifications from the Permittees:

- Class 1 Permit Modification Notification: Correct a non-substantive typographical error in Attachment G.26, Section 3 (closure plan), dated June 13, 2012 (LA-UR-12-20765
- Notification of Class 1 Permit Modification to Add Structures to a Container Storage Unit, dated July 30, 2012 (LAUR-12-22808)

The modifications identified above were put into effect as requested by the Permittees under the conditions specified in 20.4.1.900 NMAC (incorporating 40 CFR §270.42(a)(1)). NMED recently incorporated these Class 1 modifications into the LANL Permit.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice for the Class 1 Permit Modification Request dated September 4, 2012, is attached to this letter.

Payment is due within sixty (60) calendar days from the date that you receive the invoices in accordance with 20.4.2.301.C NMAC. If you disagree with the fees assessed, you may notify the NMED in writing, at the address above, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.
