Subject: Los Alamos National Laboratory Point of Contacts for Formal Letters Related to the New Mexico Environment Department – Hazardous Waste Bureau Compliance Evaluation Inspection for Fiscal Year 2019

Dear Mr. Kieling:

This letter transmits Los Alamos National Laboratory (LANL) points of contacts to the New Mexico Environment Department-Hazardous Waste Bureau (NMED-HWB) regarding the Compliance Evaluation Inspection (CEI) for LANL fiscal year 2019. LANL operates under the Los Alamos National Laboratory Hazardous Waste Facility Permit EPA ID # NM0890010515 (the Permit). The Permit authorizes the U.S. Department of Energy (DOE); Triad National Security, LLC (Triad); and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) to manage, store, and treat hazardous waste at LANL.

On April 29-May 2, 2019, the NMED-HWB conducted their annual CEI at LANL. In anticipation of formal communication from the NMED-HWB regarding the CEI, LANL is providing point of contacts for incoming NMED-HWB letters.

Correspondence from the NMED-HWB regarding the 2019 LANL CEI should be mailed to:
