

2025 Notice of Public Training for the Electronic Public Reading Room and IntellusNM

Los Alamos National Laboratory Hazardous Waste Facility Permit

EPA ID No. NM0890010515

The Department of Energy (DOE); Triad National Security, LLC (Triad); and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) are holding a virtual training via Microsoft Teams on the contents and use of the Los Alamos National Laboratory (LANL) Electronic Public Reading Rooms (EPRRs) and the use of the Intellus New Mexico (IntellusNM) public environmental data portal.

The EPRR is an information repository for environmental and administrative information and correspondence required by Permit Section 1.10 of the LANL Hazardous Waste Facility Permit, issued November 2010. The LANL Electronic Public Reading Room and the Los Alamos Legacy Cleanup Electronic Public Reading Room can be accessed at <http://epr.lanl.gov>.

IntellusNM is the data portal providing continuous public access to the environmental data collected on and around LANL, and it is jointly managed by N3B, Triad, and the New Mexico Environment Department - DOE Oversight Bureau (NMED-OB). IntellusNM can be accessed at <https://IntellusNM.com>.
