The report provides notice of demolition activities for the period of July 1, 2026, through September 30, 2026, in accordance with Sections 1.17.1 and 1.17.2 of the Los Alamos National Laboratory Hazardous Waste Facility Permit (Permit), EPA ID# NM0890010515. Demolition activities that have the potential for adverse impact to the SWMUs/AOCs identified in this notification will be identified, evaluated, and documented. A demolition completion report will be provided to the NMED-HWB within 30 days of completion of a report for any buildings identified by the NMED-HWB in accordance with Permit Section 1.17.3.
