Subject: Delegation of "Duly Authorized Representatives" under the New Mexico Solid Waste Act, the New Mexico Hazardous Waste Act, the New Mexico Water Quality Act, and the New Mexico Quality Control Commission Regulations

Effective October 04, 2026, I assumed the role of the Manager of the United States Department of Energy/National Nuclear Security Administration (DOE/NNSA) Los Alamos Field Office (NA-LA). As the Manager for NA-LA, I am the senior executive official responsible for overall operations of the NNSA-scope activities at Los Alamos National Laboratory (LANL). My contact information is:

Michael A. Mikolanis, Manager
DOE/NNSA Los Alamos Field Office
3747 West Jemez Road, MS-A316
Los Alamos, NM 87544
Phone: (505) 667-5105
Email: michael.mikolanis@nnsa.doe.gov

In my position as NA-LA Manager, as principal signatory for permit and compliance programs regulated under the New Mexico Hazardous Waste Act, the New Mexico Water Quality Act, and the New Mexico Quality Control Commission Regulations, I hereby delegate authority to sign reports required by permits and other information requested by the New Mexico Environment Department (NMED) to the following positions:

- Deputy Manager for Los Alamos Field Office, currently held by Patrick Moss
- Deputy Manager for Mission, Security, and Landlord Stewardship, currently held by Stephanie Stringer
- Assistant Manager for Landlord Stewardship, currently held by Dennis Svatos

Any persons occupying these positions may act as my "Duly Authorized Representative" with the authority to sign documents as noted above required by the NMED. This delegation is made in accordance with 40 CFR 122.22 and 40 CFR 270.11, Signatories to Permit Applications and Reports. This delegation of "Duly Authorized Representative" supersedes previous delegations for NA-LA.

Environmental compliance is interwoven across multiple programs at LANL and the two Federal Field Offices, NA-LA and DOE Environmental Management Los Alamos Field Office (EM-LA). DOE requests that communications regarding compliance at LANL should be sent to both NA-LA and EM-LA. The delegation authority for NA-LA does not affect the delegation authority for EM-LA.

If you should have any questions about this delegation, please contact Dennis Svatos at 505-667-7640 or dennis.svatos@nnsa.doe.gov.
