Re: Request for Extension to Respond to the November 24, 2014 NMED CEI

Dear Messrs. Grieggs and Rhodes:

The NMED—SWQB received your request for a 60 day extension to respond to our compliance evaluation inspection (CEI) report dated November 24, 2014. As requested we are extending the review period for this CEI until March 2, 2015. As noted in our letter accompanying the CEI, the response period for the CEI allows NMED to prevent posting a report on our web site that may inadvertently contain correctable errors and discrepancies. When completed, the final posting will contain the report, corrected as necessary for any errors, along with LANS/DOE's response. If the CEI is corrected or revised, we will so advise EPA.

Please contact me (bruce.yurdin@state.nm.us or at 505-827-2795) or Sarah Holcomb (sarah.holcomb@state.nm.us or at 505-827-2798) if you have any question about the CEI.

Sincerely,

Bruce J. Yurdin
Program Manager
Point Source Regulatory Section
