

Public Meeting
Individual Permit for Storm Water
Project Update
Thursday, December 21, 2017
UNM LA, Lecture Hall, Building 2
5:00 to 7:00 pm

The Individual Permit authorizes storm water discharges at Los Alamos National Laboratory. Learn about the Individual Permit, monitoring results from 2017, the sampling implementation process as well as other storm water–related activities, and newly obtained precipitation data. Call (505) 665-6771 for information.
