**NOTIFICATION OF CLASS 1 PERMIT MODIFICATION TO THE TECHNICAL AREA 55
OUTDOOR STORAGE PAD
LOS ALAMOS NATIONAL LABORATORY HAZARDOUS WASTE FACILITY PERMIT
EPA ID NO. NM0890010515**

The Department of Energy (DOE) and the Los Alamos National Security (LANS), LLC submitted a Class 1 Permit Modification Notification on June 13, 2012 to the Los Alamos National Laboratory (LANL) Hazardous Waste Facility Permit issued to DOE/LANS.

The Class 1 Permit Modification Notification corrects a non-substantive typographical error in Section 3 of Attachment G.26 (*Technical Area 55 Outdoor Storage Pad Closure Plan*). The Section 3.0 header has been revised to change "Treated," to "Stored" to correctly reflect the nature of the unit. No treatment will occur at this unit, only storage. The Permit Modification is a correction of a typographical error as listed in Appendix I to the New Mexico Administrative Code (NMAC), 20.4.1.900 NMAC (incorporating 40 CFR § 270.42(a)(1)).

The official permit can be found on the NMED-HWB webpage at: <http://www.nmenv.state.nm.us/HWB/lanlperm.html#FinalPermit>. The permit modification submittal can be found in the LANL electronic Public Reading Room (<http://epr.lanl.gov>) and the hardcopy Public Reading Room located in Pojoaque at:

Northern New Mexico Citizens' Advisory Board Office
94 Cities of Gold Road
Santa Fe, NM 87506

If you have any questions regarding this permit modification please contact Mark Haagenstad at (505) 665-2014 or mph@lanl.gov.
